

TUMBLE!

version 2020

\$595⁰⁰

Order the **Tumble!** app installed and activated on a Windows 10 tablet with a detachable keyboard.

Purchasing the **Tumble!** app installed on a tablet, allows you to easily take it to practices so you have your routines, finances and schedules with you at all times. Weighing just 1.3 pounds¹, its ultra-slim profile is conveniently travel-friendly.

If you purchase another copy for your desktop computer, you can effortlessly backup/restore your data to sync between both devices.

We'll ship your tablet with Tumble! pre-installed and activated within 7 days of receiving your order. The app's installation file and activation code will also be placed in a folder on the desktop in case you ever need to reinstall Tumble! or move it to another device.²

¹ 2.28 pounds with the detachable keyboard

² Activation codes are only valid for a single device. You may permanently move your license key to another device
